Prime Real Estate Opportunity: Harmonious Land with Three Building Permits, 13 km from the Sea!

Nestled on the edge of a charming, fairy-tale-like settlement, this exceptional property is now available for purchase. The combined land of 6003 sq.m. spans four cadastral plots, offering a unique blend of harmonious characteristics and development potential.

The property comprises approximately 3,090 m² of land outside the construction area and 2,913 m² designated as residential construction land, as outlined in the spatial planning documentation. The construction portion is divided into three separate cadastral plots, each with an approved building permit for a residential building and auxiliary structures, including swimming pools.

These homes are thoughtfully designed as comfortable, detached residences with one residential unit spread across two floors. The architectural style and design are carefully tailored to blend seamlessly with the surrounding environment and landscape.
