Apartment

Split, Dalmatia

We present a luxurious new building in a prestigious district of Split, just 100 meters from the sea and a beautiful beach. The south-facing building allows access from both the north and south sides and consists of a total of eight apartments.

The basement level includes garage spaces and storage rooms, while ten outdoor parking spaces are available in front of the building. The price of a garage space is 50,000 €, and a storage room is 25,000 €.

All apartments are modern and comfortable, featuring spacious balconies, loggias, and terraces that offer a high standard of living in a prime location near essential amenities. High-quality materials have been used in construction and furnishing, including tiles, parquet flooring, and first-class sanitary ware. Schuco aluminum closures with electric lifting, stone facade elements, and electric car chargers enhance the building's quality. Heating and cooling are provided through a multi-split system with air conditioning units and heat pumps with underfloor heating.

Apartment S2 in offer, a luxurious unit with a living area of 170 m², is located on the first floor. It consists of a hallway, kitchen with dining area, open-concept living room, storage room, four bedrooms, three bathrooms, and a terrace.

The construction is expected to be completed by the end of 2025, offering a rare opportunity to secure a home in this exclusive development.
