Excellent location!  
Great rental potential!

The total area of the building is 1200 m2, the land plot is 2000 m2.

The building was originally built around 1800, then it was rebuilt and used as a mill. In 1984-1986 years it was a super-popular youth venue and a disco by Midnight Disco.  
Before the war in 1991 it was the most popular and popular entertainment destination for the whole region of Sibenik. Parents of modern young people in Croatia remember him well.

Super-popular zone, thanks to its proximity to such centers of attraction as Sibenik with its cathedral of Yuri Dalmatinets, included in the UNESCO treasury, the Krka nature park and waterfalls, the myriad islands of the Kornati reserve, the Solaris spa and other sights.

The complex consists of several buildings:

1. The building with a restaurant, bar, kitchen, bathrooms, storage and refrigeration facilities on the lower level, a two-level disco with its storerooms, storage and sanitary facilities, as well as three completely renovated apartments for 2-3 bedrooms each.
  2. The building with an ice cream corner, a cafe, a pizza oven, a bar counter, warehouses and sanitary facilities.
  3. The courtyard used to organize concerts, presentations and as a dance floor.
- There are two entrances for cars.

There are several options for using a complex of buildings:

1. A mini-hotel in a boutique style with a restaurant, a cafe, a spa area.
2. Spa center with restaurant, bar, entertainment area.
3. An entertainment center with a restaurant, a bar, a disco, a presentation room and so on.

That could be a diving school, dance club, fight club, bowling center, foreign languages school, retired people pension.

There are many more options for usage like artistic studios, including open-air painting school, pottery club, KLAPA-singing club, musical orchestra premises, etc.

Distance to Trogir and airport of Split (Kastela) about 52 km.

Overall additional expenses borne by the Buyer of real estate in Croatia are around 7% of property cost in total, which includes: property transfer tax (3% of property value), agency/brokerage commission (3%+VAT on commission), advocate fee (cca 1%), notary fee, court registration fee and official certified translation expenses.
