Primosten, Dalmatia

A modern apartment is for sale in an exceptionally attractive location in Primošten, just 750 meters from the sea, the beach, and the town center, with Split Airport only 32 km away.

This contemporary development is designed for maximum comfort, whether for year-round living, a premium holiday home, or a high-quality investment for tourist rental. The building features several luxury apartments, each with a private garage and storage room, and is equipped with an elevator connecting all floors, including the garage.

Apartment B3, located on the first floor and measuring 80.13 m², offers a functional and modern layout with an entrance area, two bedrooms, a bathroom, and an open living space combining kitchen, dining, and living areas. A balcony provides the perfect outdoor space for relaxation.

All apartments feature top-quality materials and equipment, including aluminum joinery with insulated glass and electric shutters, underfloor heating in bathrooms, security and fire-resistant entrance doors, anti-slip ceramic tiles in apartments and terraces, concealed air-conditioning in all rooms, LED lighting throughout, a 10 cm stone wool thermal façade, and garage spaces prepared for electric vehicle charging.

The expected completion date and move-in opportunity is July 1, 2026.
