Centre of Zagreb is the area of highest construction and business potential in Croatia.

The main components of the project are the four star Hotel, providing around fifty accommodation units, and the Tower building, a complex of 19-storey residential and business towers.

The Tower is the residential part of the centre of Zagreb, stretching from the 6th to 12th floors of the modern building, featuring 51 functionally located luxury apartments, sized between 50m² and 200m² and overlooking the greenery of the Medvednica Mountain and the southern part of the city.

The entrance into the underground levels will be from Ilica while the exit will be on Mandalićina street, so as to facilitate entry into the traffic system.

The garage parking spaces (on levels -2, -3 and -4) are adapted to all contemporary vehicles and ensure unimpeded movement.
