Super-innovative business project of new business center in the centre of Zagreb!

Land plot surface is 4037 sq.m.

Brutto surface of future building is 37 088 sq.m.

There is project of two volumes:

- The tower with 20 floors
- The lower part of the 5 floors meant for offices and commercial spaces

➤ Interspaces between two volumes - semi opened atrium, connect the inner area of the business centre with the surrounding public space.

➤ In the underground 2 floors is a garage for 400 vehicles, a ground floor space is a main access to the centre, with public commercial facilities and cafe.

➤ Higher floors are reserved for business users, while the highest floor offers a unique view of the panorama of Zagreb.

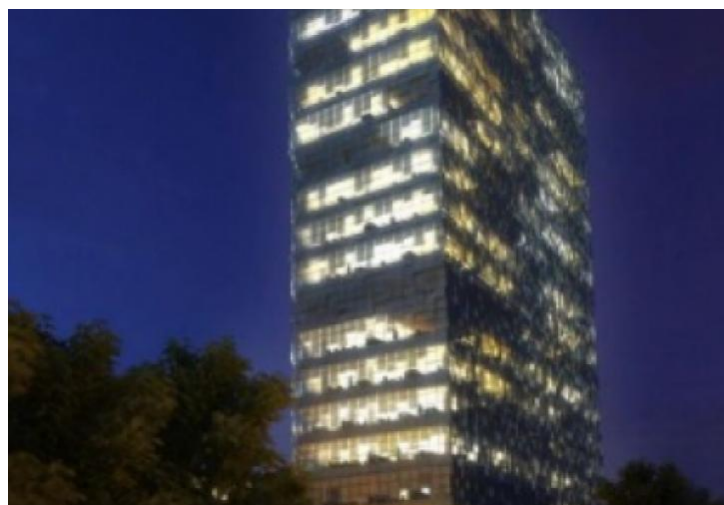

Great project of modern business-centre in Croatia!

Price is set for land plus project.

Overall additional expenses borne by the Buyer of real estate in Croatia are around 7% of property cost in total, which includes: property transfer tax (3% of property value), agency/brokerage commission (3%+VAT on commission), advocate fee (cca 1%), notary fee, court registration fee and official certified translation expenses.
