Only the highest quality materials are installed:

- The flooring in the bedrooms and living rooms is made of oak wood.
- Ceramics are Italian first-class large format ceramics, sometimes with relief.
- Bathroom accessories: faucets and shower are GROHE. toilet, sink and cistern are Villeroy-Boch.
- The boilers are Ariston, slim line.
- Windows and glass walls are high quality products, wood is made from the inside and aluminum is made from the outside. electrical equipment is Panasonic, satellite television is also installed.
- The air conditioning system is BERGEN.
- The interior room door is made by LIP BLED manufacturers, with Arctic oak pattern.
- The bathrooms have underfloor heating.
- The burglar-proof apartment door is DIERRE Italian bred. At the top of the building there is a large private terrace where water and electricity are installed, and a jacuzzi, barbecue and summer kitchen can be installed too.
- The roof terrace can be bought by two apartments and then divided by half, or completely belonging to only one apartment. Each apartment has a large terrace where there can be a dining table and sun loungers.
