We highlight a unique urban plot of land with a valid building permit for the construction of a villa with a swimming pool of 399m² of living space, right above the center of Opatija.

Incredible sea view, from left to right open view. The building plot is located next to the state road and has a fantastic access.

The villa project is of a modern style with an infinity pool, and it is important to point out that the land is located in an exclusive settlement above the center of Opatija.

Water, electricity, sewerage to the land.

The air line to the sea is 450 meters, 800 meters by road.

The terrain configuration is very gently uphill, with no major excavations required.

There are two similar land plots nearby, each of cca. 950 sq.m., each with valid building permit for luxury villa, each for 1 mio euro approximately.
