Villa under construction in Kavran, Marčana, 2,5 km from the sea, with sea views!

It is a detached villa of 140 sq.m. on a land plot of 385 sq.m.

The project differs from most villas, as the living room with kitchen and dining room, summer kitchen and a beautiful terrace accessed through glass walls are located on the 1st floor.

The organization of the space in the above manner was done due to the unobstructed panoramic view of the sea from the first floor.

On the ground floor, there is a night area that includes 3 comfortable bedrooms with bathrooms and a utility room.

The yard is fully utilized and 3 parking spaces are provided, as well as space for a swimming pool and beach.

The property has an internal and external staircase to access the first floor. The land plot is surrounded by Istrian drywall!

The following structure is included in the stated price:

- concreted beach, sidewalk and installed bio pit

Villa is being sold for this price in roh-bau condition.

It is a 2.5 km drive from the house directly to the first beach on an asphalted road!
